- (c) **“Third-party commentary”** means comments and reviews regarding the Property left on a web site by someone other than the operator of the web site.
- (d) **“Virtual office web site” (VOW)** means a web site operated by a broker participating in the MLS that delivers brokerage services to consumers over the world wide web. Visitors to a VOW are required to register on the site (with their name and a real email address) and enter a brokerage relationship with the broker operating the VOW. The broker operating the VOW can then show the visiting customer/client nearly all the information available to the broker in MLS.
